Specialty license plates are authorized by Illinois statute with the primary goal of raising funds for a specific organization(s). The plates are available to the public and are not awarded based on specific qualifying criteria.

- The Secretary of State will begin production of a new specialty plate category after receiving 1,500 requests for the plate.
- Design and color of the plates is at the discretion of the Office of the Secretary of State.
- A non-refundable Specialty license plates fee must accompany each plate request. The fee will be deposited into the special fund as designated by statute regardless of whether or not the plates are produced.
